National University
of Ireland Maynooth

A MAYNOOTH EDUCATION: MORE THAN A DEGREE

Take advantage of a university education that draws on great ideas from around the world and is unlike anything else in Ireland:

- We've adapted what we teach and how we teach
- We've added flexibility and time to decide what you want to study
- We know what will make you stand out in the world of work, throughout your career

A Maynooth Education will give you the skills to communicate effectively, to think about the world in a different way, and has the flexibility and opportunities for personal development that will serve as the best foundation for your future.

Students come first; they are at the heart of everything we do. We prioritise your student experience, both academically and socially to ensure that you graduate with the best set of skills to help you succeed in the world, whatever you decide to do.
