Accelerate your recruitment with EduCo's new digital platform

Interested in learning more?
Visit educoglobal.com/accelerate

Launching early next year to help you focus on what matters:

- » A one-stop online portal for all student applications to EduCo's institutions
- » Easily track application statuses and get the right information at the right time
- » Search courses and match right-fit students with our AI-powered 'Course Advisor' technology.

Frequently Asked Questions

1. When will I get access to Accelerate?

We're 100% focused on making your recruitment a breeze, so we have been busy researching and developing this new portal for agents like you. We will do a phased rollout of Accelerate beginning early 2021.

2. How can I sign up for Accelerate?

We'll be reaching out to agent representatives by the end of December to start the onboarding process to ensure we make institution intake dates.

3. What are the exact functions of Accelerate? What can I do with it?

Accelerate provides end-to-end service from course search, course match and course advisor to enrolment application and communication. It helps you easily find courses, manage applications and track your pipeline in just a few clicks. All the tools and information that you need will now be at your fingertips.

4. How will Accelerate change my day-to-day operations with EduCo? Will there be pre-launch training for me?

Beginning early 2021, all applications for EduCo's institutions will be submitted through Accelerate. You will be able to save draft applications and complete them on your own time. Training will be done in December and we'll be in touch with you soon on a detailed timeline.

5. What if I cannot attend the pre-launch training?

Accelerate training will be done over multiple sessions. Webinars will be recorded and detailed instructions will be provided supported by "bite-sized" videos.

6. Can I still call my Regional Manager to get detailed information about EduCo and its courses?

Absolutely! Our in-market staff are part of the entire Accelerate rollout and they will remain available for providing up-to-date information on courses and for guiding you along the enrolment and recruitment process.

7. How will a new colleague register an account in Accelerate?

EduCo will help with the onboarding process. All you need to do is provide user information and we will help create the user account.

8. Will my students' profiles be shared with other agents?

Agents are only allowed to view student profiles they, themselves, created. Directors can access their counsellors' accounts including the student profiles they've created.

9. Does Accelerate support my local language?

At the time of launch, Accelerate will be available in English and Chinese.

10. Can I rely on all information found in Accelerate?

Accelerate will maintain up-to-date and accessible information on all partner institutions.

11. Can I access Accelerate from my mobile phone?

You can access Accelerate from your PC, mobile phone and tablet.

12. I have suggestions for Accelerate. Whom can I reach out to?

Feel free to reach out on our website at educoglobal.com/accelerate or contact adam.roberts@educoglobal.com.
